

InuLambo (\$INU) — “From Pawprints to Pavement — \$INU Drives Us to the Moon”

Overview

InuLambo (\$INU) is a next-gen meme coin on the BNB Smart Chain blending high-octane community power with Shiba Inu charm and luxury Lambo culture. No whales, no pre-sale — just pure meme energy, real holders, and big dreams.

Vision

To become the most viral meme coin of 2025, powered by utility, creativity, and a thriving global holder base.

Mission

We aim to:

Fuse memes with utility (NFTs, staking, merch, game)

Reward loyal holders

Make \$INU a global meme brand with real value

Put InuLambo in your wallet and your driveway

Tokenomics
